Our shift was extremely busy after 0200 hours. Officers were dispatched to an auto burglary where two males were attempting to break into a vehicle. As Officers were investigating this another auto burglary came in on the same side of town and the suspects matched the description from the first call. Officers arrived on scene quickly and located the suspect next to the victim vehicle. The suspect attempted to run but after a lengthy foot pursuit he was apprehended and booked into Jail. Officers responded to a solo vehicle collision with a TID pole. The driver sustained major injuries and was transported to a local hospital. Officers were call to call until the end of our shift.
